NOTES				

PRIOR AUTHORIZATION: 215-937-5322

RETRO PRIOR AUTHORIZATION: 215-937-7371

DME: **215-937-5383** OB: **1-844-688-2973**

Providers are responsible for obtaining prior authorization for services prior to scheduling. Please submit clinical information, as needed, to support medical necessity of the request. Requests will not be processed if missing clinical information or CPT and ICD-10 codes. As a reminder, authorization is not a guarantee of payment; payment is subject to benefit coverage rules, including member eligibility and any contractual limitations in effect at the time of service.

Urgent medical condition: Any illness, injury, or severe condition which, under reasonable standards of medical practice, would be diagnosed and treated within a 24-hour period and, if left untreated, could rapidly become a crisis or emergency medical condition. The term also includes situations where a person's discharge from a hospital will be delayed until services are approved or a person's ability to avoid hospitalization depends upon prompt approval of services.

Important payment notice

Please note that reimbursement for all rendering network providers subject to the ordering/referring/prescribing (ORP) requirement for an approved authorization is determined by satisfying the mandatory requirement to have a valid Pennsylvania Medical Assistance (MA) Provider ID. Claims submitted by rendering network providers that are subject to the ORP requirement will be denied when billed with the NPI of an ORP provider that is not enrolled in MA.

To check the MA enrollment status of the practitioner ordering, referring, or prescribing the service you are providing, visit the DHS provider look-up portal.

Wheelchair/powered vehicle

Please note: Home assessment is necessary for all manual wheelchairs, power wheelchairs, and scooters.

A DHS prescription form for motorized wheelchairs is necessary for all power wheelchair and scooter requests.

Coverage by Vista Health Plan, an independent licensee of the Blue Cross and Blue Shield Association.
